Mordecai’s Fidelity

Chapter 1

To The Store

It was an evening in the park and Mordecai was sitting in the sofa along with Rigby playing video games as usual. The Game that they played this time was Street Fighters. Mordecai played with the character Ryu and Rigby was Bison. Rigby using the Psycho Crasher put Mordecai down leaving him approximately out of the game.

-Fuck, Rigby.-The upset Mordecai said.

-Now I will finish with you, Mordecai.-Rigby said laughing.

Before the last blow, Mordecai hastened and with a blow of bass, took out Rigby of the game. Mordecai had earned the game this time. Mordecai gave a great Whoooo celebrating his victory. Rigby got upset with the crossed arms.

-Take that, Rigby.

-You always do me the same thing. I cannot believe it.

At that moment Benson entered and serious as always he talked.

-Why you aren't doing your work? You couple of bums.-Benson Said.

-We’re done half hour ago.-Mordecai answered.

-One way or another. Today is Muscle man's Birthday and he wants us all to gather in Wing Kingdom to celebrate it. So you will come with me to buy his gifts.

-All right. We go, Rigby.-Mordecai said looking at Rigby.

Both left their game's devices at the table and positioned themselves of foot. They marched along with Benson coming out of the house. Benson didn’t forget to close the door with lock, sure enough. Benson guided his 2 companions inside the car. Benson drove and they came out of the park.

When they got to the store, they 3 separated to look for a gift for Muscle man. It was hard to know what Muscle man would like that they give him as a present in his birthday. Mordecai considered at the beginning that it would be good idea give him a toolbox that could be useful for the work. But he didn’t come up with something else. Rigby appeared back all of a sudden.

-And did you find anything to give to Muscle man?-Rigby Asked.

-No. What about you? Dude

-May he like this.-Rigby said while he had hidden something behind.

-Let me see what it is.

Rigby took out what he had hiding in his back and he shown it to Mordecai. He took a look and Mordecai realized that it was a pornographic magazine. Mordecai got scared and then he got angry.

-Where the shit did you take this of?

-C'mon, may he like it.-Rigby said and he began to exploit in a big giggle.

-Mother fucker, dude. This is depraved. I am not planning to give this as a present to Muscle man in his birthday.-Mordecai said becoming serious.

- What is your problem? We used to read those magazines in private and you kept on masturbating.-Rigby said giggling.

-Shut the fuck up.

-Besides you used to dream that you would like to do this kind of things to Margaret.

-¡I SAID SHUT UP!

- That it's coming on here?-Benson said that he showed up of a sudden.

-Nothing.-The nervous Mordecai said.

Benson indicated that he had a magazine and he snatched it from Mordecai's hands.

-For god sake, Mordecai. This is gross.-The angry Benson said.

-I didn't take that, Benson.-Mordecai said trying to proof his innocence.

-I have no time for your dirtiness. Did you already find something for Muscle man?

-Well I came up with this idea of give him some tools for his work.

-Well that's not a very bad idea, Mordecai. And you? Rigby.

-Hahn.....well.-Rigby stammered while he scratched his head.

-Fine. If you didn't find anything, you are going to give him as a present these tools along with Mordecai. Now let's keep the fuck out. We will be late.

-And what are you gonna give to Muscle man? Benson.-Rigby said believing that Benson had forgotten also.

-I already took care of that this afternoon.

-Aren't you going to tell us what is it?

-No. Rigby. I don’t want to fuck off the surprise.

-May is a porn film for sure.

Mordecai hit Rigby in the arm.

- Why did you do that?

-To be so immature, raccoon. Now C’mon that we’re going be late.

-Ñeñeñeñeñeñeñeñeñe.-Rigby gossiped mocking

Chapter 2

The Song of a Beautiful Bird

The 3 came to Wing Kingdom and everybody was there together. Pops, Skips, High Five Ghost, Starla, Thomas and Muscle man of course. All the Muscle man's gifts were accumulated at the table, while they were eating meringue cake and winglets.

-I want to be grateful to all of you for this birthday. Do you know who else likes a birthday party? ..... My Mom.-The happy Muscle man said.

-Wait a minute, Muscle man. I didn’t give you my present yet. -Benson said.

-One more present? What is it? , Benson.-Muscle man said thrilled.

-You’ll see, my dear friend.-The smiling Benson said.

The lights became extinguished and the invited guests got impatient. Then a sweet voice was listened from the stage.

-Ladies and Gentlemen. Today we presented you an especial show for our invited guest that has his birthday today.

Mordecai suspected of that voice that sounded him very well-known. The curtains opened and there she was sitting on a table, a girl dressed as a cowgirl and supporting a guitar. The hat that she carried hid her face.

-This song is for our invited guest, Muscle man.

She revealed her face and Mordecai could see who she was. He knew in that moment why that voice was so familiar, because he knew very well who she was.

-Margaret? -Mordecai said with a face full of impression.

Margaret played the guitar and began to sing:

"One day I dreamt

With see you again

And that we would go back to be

Side by side one more time

I do not know what to think

Because it is a dream

That seems to be very distant

Very distant it is

For a moment I thought

That it would be possible

Going back to hold our hands

And look at you in your eyes

Because your look

Captivates me

And you don’t need to tell me

What you feel for me

I waited for you long time

And now I see

That you came back to be

In my arms again

That you know it

Because it is true

And it doesn’t matter what happens

Because I am a part of you

I waited for you long time

And now I see

That you came back to be

In my arms again

Nothing will come between us

And that I know it well

Nothing will separate us

We are two of a kind"

While Margaret sang, Mordecai felt his heart beating very fast and fell hypnotized by Margaret's sweet voice. Muscle man was content for the Show, but Starla put a face of envious. When finishing the song, they all stood up to applaud Margaret. She stood up, greeted the audience and the curtains got closed.

Chapter 3

A New Union

While all the groundskeepers of the park kept on going with Muscle man in his dinner of birthday, Mordecai decided to go behind the scene after asking Benson permission, to see Margaret again. Margaret found herself behind the scene getting ready for a 2nd act and Mordecai appeared behind.

-Hi, Margaret.-Mordecai said.

Margaret turned on to receive him.

-Hello, Mordecai. What are you doing here?

-Only I came to say hello. How did you know about Muscle man's birthday?

- Benson told me. Also he mentioned that i had a pretty voice and he told me to sing for him in his birthday.

- I see. The truth, you stood out very well on the set.

-Then, thank you. Okay, may I should get ready for the 2do act.

-Margaret. Can I sing with you tonight?

-You say it jokingly.

-No. Seriously, the gift that I made for Muscle man didn’t convince me and I also wanted to go to the scene for impress him. - Mordecai said with a voice approximately stunned.

-It seems OK to me. The truth is that I didn’t come up with what song use in the next act. What do you suggest me?

While both get preparing to go on in the stage. The rest of them put to think where Mordecai found himself at this moment.

- Where Mordecai will be gone? - The impatient Benson asked.

-For sure he’s in the restroom jerking off to see Margaret singing.-Muscle man said laughing.

-I doubt it a lot. Mordecai stopped off think about Margaret since he began to date with CJ. -Skips replied.

-But who knows. Margaret will always be the first 1 for Mordecai. Although they have never fucked in the bed. –Rigby said.

-However, I hope he came back immediately that the last show is beginning. –Benson said.

-And now begins the 2nd show for Muscle man’s birthday joining me a very special guest.-Margaret’s voice replied comin’ from the stage.

The curtains opened and everyone saw Mordecai joining Margaret. For their surprise, Mordecai was wearing cowboy's dress. A big and black hat. A yellow handkerchief in the neck. A red shirt with pictures, blue pants and black boots. Muscle man and his mates began to laugh of Mordecai, except Benson that a look of bewilderment put.

-You look like a fucking clown. C’mon, do something funny. -Muscle man shouted.

-Well, Muscle man. This is my birthday present that Margaret and I decided prepare for you. -Mordecai replied and both played the guitar their sing along:

"Your eyes staring into my eyes

who i am? but a guy with two eyes on the prize

and the prize in my eyes is 10 times

the surprise in your eyes as i kiss you good night

your smile is the fire that rocks my soul

When finished the song, nobody in the audience doubted in applaud. Mordecai and Margaret greeted the audience saying good-bye and the curtains closed.

Chapter 4

After The Party

The party had finished and all the members of the park prepared to go home themselves. At the way out from Wing Kingdom, Muscle man called Mordecai's attention touching his shoulder to say something to him.

-I must admit it, Mordecai. That was the best show that I have ever seen. Seriously it was the best birthday of my life.

-Well, thanks, Muscle man.

-No, seriously you were great on the stage with that ridiculous clothing. It was funny.

Mordecai looked behind and there was Margaret getting ready to leave on a taxi.

-I reach you now, boys. - Mordecai said walking away.

He got closer to Margaret and spoke.

-Hey, Margaret. I just wanted to say that was cool sing with you in the stage.

-Well, thanks, Mordecai. I also had fun being with you.

-Hey, if you don't have anything else to do, I would like that we spent another time together just like before.

-Then, this Sunday I am free. If you want, we can go to the mall.

- Yes, absolutely. See ya.

Both separated and took separate roads. Mordecai got on the car with his friends and at called Rigby's attention to see that Mordecai was smiling.

- Why are you happy? –Rigby asked.

-Well, for nothing.

-¿Did you fuck with Margaret? - Rigby said laughing.

Mordecai punched Rigby in his shoulder.

- Can they stop being arguing? Wait until we get to the park. - Upset Benson said.

Mordecai's phone began to ring and as it was in front of the car, Mordecai could not answer.

-Benson ¿Could you put in the high speaker? - Mordecai said to Benson.

Benson put the phone in the high speaker and Mordecai could receive the message.

-Yeah, Who talks?

-Hi, Mordecai. It's CJ.

Mordecai got nervous at the beginning, but he kept talking.

-Hi, honey. How's everything?

-Look, this Sunday I'm idle. I was wondering if we could go out together.

Mordecai didn't know what to say in that moment. He won't to say her that he had plans with Margaret because he knew that CJ wouldn't take it well. He had no another option that deny her the date.

-Sorry, but this Sunday I can't.

-Why not?

-Well...I already have plans with other person. I sorry, but I can't.

-Oh, that’s OK. It will be in another occasion. See ya, I sent you kiss. - CJ said a little disappointed.

-Well, see you later then.

-I sent you something to don’t forget me. - CJ said.

Once the call ended, in the cellular phone’s screen a photo appeared from CJ showing her breasts in order that Mordecai fantasizes a little. Mordecai felt somewhat ashamed because the other ones were present.

-Why did you get nervous? - Skips asked of interrogative way.

-What are you talking about? - Mordecai said playing the ingenuous.

-Don’t play the fool. When CJ invited you, you got nervous. Is because of Margaret? - Skips said interrogating him.

-Of course no.

-It is not that I take interest, but you should be careful with The Triangles of Love. They can be very dangerous.

- C'mon, Skips. Margaret is just a girlfriend now. I don't feel anything for her anymore.

-Why you don’t invite her and CJ to make a threesome? – Rigby said.

-GO TO SHIT, RIGBY. – Yelled Mordecai upset.

-Mordecai, calm down. If you do not behave, I will leave you abandoned in between the street. - Benson trying from disciplining Mordecai said.

When coming home, they all were in their beds resting after a long day and one night of fun. Mordecai could not sleep, and then got to thinking putting your morality to test. Margaret was not his couple anymore, but he could not deny that he still felt something for her. Besides CJ was his girlfriend now and would be wrong cheating her with Margaret. It would be so difficult that CJ understand that Margaret was not his girlfriend anymore; well there were many conflicts in the past when CJ saw Mordecai and Margaret together. CJ had become very jealous and distrustful giving to Mordecai the impossibility that both get along well. Mordecai closed his eyes trying to not think about the conflict, now that he had given his Word to Margaret and that could not change over now.

Chapter 5

Proof of Morality

The day had finally come and Mordecai had got prepared for the occasion. Margaret was in front of the door and Pops was who attended.

-Hello, Margaret. I'm glad to see you.

-Samemo. Is Mordecai in home?

-Yes. Come in. - Pops said kindly as always.

Margaret got inside the house and took a sit for Mordecai show up. For luck Mordecai shown up and contemplated Margaret wearing a beautiful yellow dress that shone like the sun.

-You look amazing, Margaret.

-Thanks. Are ready to leave?

-Certainly.

Both went out from the house to pass another good time together like those days when they used to be a couple.

They'd get to the mall and infiltrated inside to enjoy the products that were in sale. Margaret stopped in different stores to taste perfumes and lingerie. Mordecai always told to Margaret that she had a good smell or looked good, just to making ponds in her. Both visited the videogame room and the only game with they got entertained more was the Virtual Dance. In many games they won, Mordecai spent the tickets in a teddy bear that he gave to Margaret. Then they got inside a photo room to take many pictures together. Mordecai and Margaret were passing a marvelous time. The hours passed through and Mordecai decided accompany Margaret to her home. Mordecai entrust of helping Margaret with the loads of shopping. They were in front of the door of the residence and Margaret taking out her keys opened the door. Both entered and placed the parcels on a side.

-Thank you for helping me with the parcels, Mordecai.

-It was nothing. Hey, do you care if I am going to get wet my face? I am hot of so much charging parcels under the sun. - Mordecai said cleaning up the sweat from his forehead.

-Go ahead. No problem.

Mordecai was heading for the bathroom and when opened faucet, joined his hands to gather some water and with that got wet his face. Mordecai felt fresh and closed the faucet. He cleaned his face with the towel and the 1st thing that he thought was going away to hold his morality on foot. Mordecai thought that it would be better to go away to not arouse his feelings for Margaret again, since that would ruin his relationship with CJ. Mordecai came out of the bathroom as new and when he went to Margaret's room to tell her that he should have gone away, Mordecai stopped in front of the door of sincere Margaret's room. There she was without her dress trying on her new underwear. Mordecai got nervous and he tried to cover his eyes. Margaret heard Mordecai and discovered than he was in front.

- I'm sorry, Margaret. It was not my intention. - The nervous Mordecai said.

-Hey, take it easy. Nothing happens. - Margaret said trying to calm Mordecai down.

-Sorry. I didn’t know you were undressing.

-Don’t worry. Everything is alright.

Margaret took Mordecai’s hands to make him stop of cover his eyes of shame. Margaret got closer more and more trying of calming him. Mordecai wanted to stay away keeping his space. When seeing Margaret's half-naked body, Mordecai felt the throb of his heart accelerating. The one thing than now he desired was touch her and to caress her as he always dreamt. A moment than he waited for all his life approximately and now at last it had arrived. He looked directly into her eyes.

-Margaret, I don't know if I want to make this. - The calm Mordecai said.

- I neither. So, it’s you choice. - Margaret said without wincing.

Mordecai didn’t want to keep it in anymore. He neared and gave her a tender kiss. Margaret accepted the kiss with pleasure and both hugged each other tenderly. They leant upon the bed and Mordecai began to slide his fingers on Margaret's brassiere. Slowly he removed it and could contemplate Margaret's breasts. They were big and they had a figure once the ones belonging to a sweet and tempting orange were compared with. Mordecai kissed Margaret's neck and he began to touch softly Margaret's big breasts. Mordecai allowed that his hands do the work of caressing and savoring those so perfect teats that Mordecai had never touched before. Margaret hugged her sweet lover to allow that his humid tongue went over her neck and his hands explore her breasts. Mordecai's tongue explored each corner from Margaret's body. Licking and kissing her breasts tenderly, her belly, her legs, her back and her buttocks. Margaret delivered herself to pleasure feeling a temptress ecstasy that went over all her body. Mordecai was becoming excited when exploring each zone of Margaret's body with his tongue and his hands. Last garment that Margaret wore was her small size bikini that hid intimate Margaret's parts. Mordecai took out the small size bikini with a lot of slowness from her and touched softly Margaret's legs leading his hands to arrive all the way up. Again he touched softly her belly and her breasts. Margaret took Mordecai's hands leading them along the correct sides. Mordecai neared newly to her and again he went back to kiss her. They kissed tenderly, while Mordecai's right hand explored intimate Margaret's parts. As Mordecai was excited, Margaret caressed intimate Mordecai's parts with her left hand.

-Are you ready? - Mordecai said looking at Margaret.

-Yes. Do it. – The convinced Margaret said.

Mordecai joined his limb with the one belonging to Margaret and began to penetrate very into the deep of her being. To Margaret it costed because she had never made this before, not even with no one of the men she was going out with in the past. Mordecai kept on rocking and pushing his limb against Margaret's crotch. Both were moaning and the fire of passion inside of their souls began to burn more and more. The sentiment that they had when they were couple, now was returning again.

- Oh, Margaret. - Mordecai said with passion.

-Don’t stop, Mordecai. Keep going. – Margaret said.

Mordecai continued allowing that stimulation does work. Margaret hugged with all to Mordecai and she could feel the throb of his heart increasing. Mordecai backed up his chest against Margaret's attractive breasts and that way he could feel his lover's heart beating to a lot of velocity. Mordecai was close to get free and he increased velocity.

-Oh, Mordecai.

-Oh, Margaret.

-OH, MORDECAI.

-OH, MARGARET.

They gave a moaned fortress and finally, Mordecai cum inside Margaret. Mordecai throw depleted on Margaret exhausted, trying from getting back the breath. Margaret felt Mordecai's lukewarm, wet and sticky sperm flowing inside of her. The 2 lovers looked at themselves deeply to their eyes and closed their love affair with a sweet kiss.

-I was taking a lot of time waiting for this. - Mordecai Said.

-I should know than you have always been the right one. - Margaret Said.

-I'm always going to love you, Margaret.

The 2 lovers had gone back to be a couple again and hugged each other incurring in a deep dream.

Chapter 6

The Occult Truth

Several days passed after that rejoining and it looked like everything was going to return to normal. Margaret and Mordecai decided to keep their relation in secret because Mordecai didn't want to have problems with CJ. They decided to stop to see each other for a while and right after 1 month, Margaret was going to discover that things were not going to remain just like that. She was taking a refreshing shower and shower's lukewarm water was taken charge to humidify her body. Margaret did not bear the idea of being separate of Mordecai and she began to touch herself thinking on him. She touched her own breasts softly and next she drove her right hand to her secret parts. But Margaret couldn't go on of touching herself, for in that moment she felt something repugnant in her stomach. Margaret came at a run out of the shower and began to vomit on the washbasin. Margaret could not understand what was happening to her. But she looked at herself on the mirror while she touched her belly softly and then she could discover what it was that she felt in her belly.

-It can't be. - The shook-up Margaret said.

In that same night, Mordecai was in bed with CJ since they had a moment of passion that night. CJ did not wear her clothing and she was embraced next to Mordecai.

- Mordecai, Why we have never made this before? - CJ said.

- I don't know. I suppose we haven't taken the opportunity before.

- Do you know what? I'm glad that I am the 1st one in give you my virginity.

-Just a moment, CJ. Have you never been with some other guy, are you?

-No. I was always very bad in love. That's why I never was with some boy. You are the 1st who I was having' relations with. I should suppose that I am the 1st one who you go to bed with. No?

Mordecai didn't know what to say in that moment. Margaret is the 1st with who he had lost his virginity, but it wasn't convenient for him tell it to CJ.

- Yes, CJ. You are the 1st one.

-It's not that I care that. Just I want to make sure that you will always be to my side.

-Of course, CJ. I can guarantee you that.

Mordecai kissed CJ making sure that everything was in order now. They slept side by side and embraced with the hope that tomorrow was going to be another good day. But Mordecai didn't know what was waiting for him.

It was of morning already and Mordecai along with Rigby collected the garbage and other waste matter from the park.

-But what a work of shit, Mordecai. - Rigby complaining said.

-Easy. When this finishes, we can rest calm in the sofa.

-The worst part of this is collecting the dog shits.

Mordecai saw Margaret coming closer and without fear, he greeted.

-Hey, Margaret.

-Ah, hey. Mordecai, I want to talk with you in private.

-Hey, if you have something to tell him, you can also say it to me. - Rigby said.

-Sorry, Rigby. But this is something very personal between him and me.

-What? Seriously

-Hold on, Rigby. Sure it's nothing grave. - Mordecai said calming Rigby.

Both got away from Rigby to chat in private. They left behind a tree and they began to talk.

- What happens? Margaret.

-I didn't feel very well lately and I was vomiting a lot.

-Don't tell me you are sick.

-No. It's not that. It is another thing.

-What?

Margaret took the right hand of Mordecai and laid it over her belly. Mordecai felt something inside Margaret's belly and then he knew what it was. Mordecai surprised and frightened moved back.

- Are you pregnant? - The shook-up Mordecai said.

- Yes and I believe it's yours.

-Sure?

-Of course. You are the only one who I got laid. I didn't date with anybody else after that night.

-I...., ahhhh....., I don't know what to say. - Mordecai said lost without know what to say.

-You should be happy. You and I are gonna have a family. – Margaret said takin' Mordecai's hands.

-Well, I think those are good news. But it's because CJ. I don't want to ruins things with her.

-I understand. But may we should tell her together.

-NO! - Mordecai said freak-up.

-Why not?

-I don't know how she gonna to take it. Besides, you don't like her. What if she goes mad a lot like those times she saw us together? – The nervous Mordecai said.

-I we explain her well, may she'll understand.

-No. I don't want to ruin it. I don't want she get upset with me.

-Easy. Everything will be fine. I promise. - Margaret said calming Mordecai.

-Ahhh, Mordecai. - Rigby said calling Mordecai.

-What do you want now Rigby?

Mordecai turned over to see Rigby and discovered that he wasn't alone. CJ also was present with a doubtful look.

- CJ, what are you doing here? - The nervous Mordecai said.

- I came here to visit you again. But why Margaret is here? I though you didn't see each other. - CJ said doubtful.

-Well..., she's only for visit.

-And what was that you were going to tell me?

Mordecai got freeze and he didn't know what to say.

-CJ, Mordecai and I.....

-Wait. - Mordecai interrupted.

-Mordecai, what are you doing? – Rigby said.

-This is something I must say by myself, but no here. CJ, let's talk inside the house. – Mordecai said getting straight.

Both walked to inside the house and got to chat about the business.

-Do you think everything will go out fine? – The worried Margaret said.

-I don't know. The worst thing would be she murders him. – Rigby said.

Inside of the house, Mordecai had explained that he had gone to bed with Margaret and he lied when he said that CJ was the 1st one he had gone to bed with. CJ felt tear apart and cheated. She didn't know what to say and tears were falling from her eyes.

- CJ, believes me that I sorry. I didn't want to hurt you. - Mordecai said trying to calm her.

CJ supported herself in silence for 1 minute and then responded:

-Tell me, do you still love her?

-I afraid so. I always had and since you and I began be a couple, I tried to deny it.

-I understand if you are still in love with Margaret. But what will happen with ours?

-I don't know if I could go on with that.

-Why?

Mordecai didn't want to reply, but he had to.

-Margaret is pregnant and it seems its mine.

CJ got impressed and didn't know what else to say. For her was the worst new she had ever heard.

-Look, CJ. I.....

CJ interrupted him with a slap and she began to beat him and insult him.

-You're son of a bitch! How could you do this to me? I'm your girlfriend! Why? WHY? FUCK! - CJ shouted breaking in a violent crying.

CJ kept out running from the house crying with all her strength. When Margaret and Rigby saw her run, they knew that something wasn't right. CJ ran faster that she could until get to her home. On the way in, she felt at the bed relapsing into her crying. CJ could not believe what

she had heard and she felt completely betrayed. For a long time Mordecai had said her that there wasn't anything between him and Margaret no longer, but she felt that those words were not something else that fake promises that have deceived her for a long time and finally she discovered the truth. Her heart was now shattered and she knew that could not trust in Mordecai's words anymore.

Chapter 7

The Tragedy

The hours have passed and it was dark already. The groundskeepers of the park took the night to go to Wing Kingdom, but Mordecai felt so bad than he couldn't go out with his friends.

-Mordecai, sure you don't want to come to Wing Kingdom? - The worried Rigby said.

-No, I'm fine now. Go without me.

-Well, then I will save something to bring you.

Rigby came down from the stairs and Benson got worry when seeing that Mordecai was not stepping down.

- And Mordecai? - Benson asked.

- I'm sorry. He's not going to come.

- Poor Mordecai. I hope he is fine - Pop said worried.

- The best will be that we leave him alone. Perhaps he'll recover for tomorrow. - Benson Said.

-Fine. At least it cannot come out worse. - Skips said.

They all left the house and closed the door letting Mordecai alone in the house.

Mordecai spent hours in the solitude feeling guilty for it happened and he decided to take his cellular phone to call Margaret in order that she comes. He wrote a message of text telling her that she came to the park to cheer him up:

"Dear Margaret. I am only upon house and feel terrible for this afternoon. I need to see you, please."

Once he sent the message and leant on his bed again, he felt an originating noise of the door. Mordecai rose and went under the stairs to answer the door. When opening it, he saw CJ standing there in present.

-Hello, what do you do here?

-Can I come in? – CJ asked.

-Yeah. Sure. - Mordecai responded.

CJ entered to the house and both sat in the sofa. They did not say but one word. Something else was not listened to at the living room than the tic-toc of the clock. Mordecai decided to break the silence being afraid that CJ continued to be upset for what happened.

-Look, CJ. I am sorry to have lied to you. I understand if you no longer want to be with me.

There was a moment of silence and CJ talked:

-Mordecai, I want to set things right. That's why I came. I will go to get a glass of water.

CJ stood up and walked toward the kitchen. Mordecai got to think himself than such time everything would end well. His phone began to ring and Mordecai rose to go up the stairs. He got over to his room and took the phone that was close to the lamp. He saw that the message came from the cellular phone of CJ and it said: "Forgive me"

"Good-bye"

Mordecai turned and out of nowhere he felt a sharp object cutting through his chest. He noticed that it was CJ carrying about a knife that she took from the kitchen. Mordecai fell to the ground when seeing blood gushing forth of his chest. CJ balanced on Mordecai and she began to stab him violently.

-I TRUSTED IN YOU! I GAVE YOU MY LOVE! AND THAT IS HOW YOU PAY ME? YOU FUCKING LIER OF SHIT! YOU BASTARD! - CJ shouted furious while she was stabbing Mordecai.

Mordecai tried to defend himself from CJ's anger and the knife crushed his hands leaving him undefended. Mordecai shouted of dreadful pain to feel all those brutal stabs. Blood was going out splashing and staining the ground, walls and CJ's clothing. Also the blood sprinkled on a photo close to the lamp, where Mordecai was smiling along with Rigby. CJ hammered the knife into Mordecai's neck and she began to move it like a saw cutting Mordecai's throat. CJ withdrawn the knife and Mordecai began to drown with his own blood.

-CJ. - Mordecai said between gargles.

He extended his left hand trying to touch her one more time. But life had completely abandoned his body and left drops his arm. CJ's eyes lit up and she realized what she had done. Mordecai no longer was moving, he was dead and CJ had murdered him. CJ released the knife leaving it fall in the ground and she hold her head nervous for what she did. Tears were decreasing from her eyes again and CJ left the house quickly giving a dreadful shout of horror.

It didn't pass so much for that Margaret received the message and went to the house to see Mordecai. But when she arrived home and saw that the door was open, she knew that something was wrong. Especially when seeing bloody footprints in the ground and in the stairs. She followed the trail to the 2do floor and the trail conducted her to Mordecai's room. Margaret discovered the horrible occult scene at that room. She found Mordecai's dead body over a blood puddle and she could notice that he received 25 stabs and his throat was cut even approximately to decapitate him. Margaret quietly petrified and didn't know how to react. But

she knew exactly who was at the bottom of the scene. Especially when she discovered the message that CJ had sent him to his phone.

CJ found herself seated alone in the dark meditating upon what she had done and she listened to Margaret's voice behind.

-CJ, what have you done? – Margaret said.

CJ turned and she saw that it was her.

-What are you talking about? - CJ said playing the innocent.

-You know well what I'm talking about. - Margaret said serious.

-If it's for Mordecai's business, you can keep him. I'm not thinking in date with him anymore. - CJ said standing on foot.

Margaret threw a big bag to CJ.

-If that is the case, tell him. – Margaret said.

CJ didn't understand well what was happening. She lowered to pick up the bag. She felt something weighed in its inside and she opened it. CJ watched inside and disclosed than inside was Mordecai's head. Margaret had finished of separated the head from his body to deliver it to CJ like a warning for her act of murder. CJ frightened, dropped the bag in the ground and when looking up, she saw Margaret getting close to her with a sharp knife in her left hand. CJ stopped the knife with her right hand and grabbed Margaret's neck with the other hand.

-Mordecai was mine and you stole him from me. – CJ said.

-No, it was you who wanted to steal him from me. – Margaret said.

For CJ's surprise, Margaret had another knife in the right hand and she stab it to CJ in her belly. CJ fell kneeling and weak for the injury. Margaret did not release the knife and with the other one in her left hand, gave a loud blow in CJ's neck cutting her throat. Blood went out sprinkling Margaret's face and CJ fell in the ground, bleeding to death.

- Mordecai would have been my husband. We were going to have a son together and you miss it off. Mordecai was my soul mate and he always loved me. I've could make him happy. I would have given him a good life out of the park. And now that never goes to happen. If he can't be mine, then he'll not be of no one's. Not even yours. - Margaret said in a furious crying.

CJ finally perished and Margaret picked up the murder weapons to leave no evidence.

On the following day, CJ's cadavers and Mordecai were found. The news became very perturbing for those who knew it. Benson got bad for what happened, in spite of the fact that he was a very slack groundskeeper, he always counted with him to solve his own mistakes or other ones. Mordecai's mother was also present. She had passed through the authorities to see his son for one last time. She embraced his decapitated son's body and cried desperately weeping for her only son. Even Margaret's father along with other members of the family cried

for him. Starla embraced Muscle Man; they could not believe what happened. High Fives also embraced Muscle Man in crying. Muscle Man tried not to cry, but he had to let out his pain. The Baby Ducks had been present when had found out about the news and their crying were saddest that it heard in the scene and in the funeral.

-I told you to be careful with The Triangles of Love. Why you never listen? - Skips said, while he cried.

-You were like a son for me, Mordecai. Even that you got my daughter with child, you would have been a great member for my family. - Margaret's father said.

Between all present, Rigby was the one who suffered more. Mordecai and Rigby had been big friends since early childhood. They always were together in the good and in the bad. Mordecai always forgave Rigby for the mistakes that he was committing and now Rigby known that he would never see him again. Rigby hugged Mordecai's dead body while he cried and he didn't want to release him.

-I will never forget. I will always remember you, Mordecai. I hope that I could see his face one last time. I will miss you and from now on I will never slack off again. For you, my friend.- Rigby said, while he cried strongly.

After authorities found the phone with the message and CJ's dead body, it was declared that CJ had murdered Mordecai and next she stabbed to herself because of guilt of having killed him. That had provoked that CJ commit suicide cutting his own throat. But what about the message than Mordecai sent to Margaret?

Margaret declared that she received the message, but she never attended to read it. That she had gone out to walk without see the cell phone and without it. That way than the message she saw it this morning just when they found Mordecai dead. Fortunately Margaret didn't leave digital footprints, neither any trail to prove Margaret's presence in the crime scene. She was very smart to achieve revenge of Mordecai's Death and authorities were not going to go after her, neither to suspicious of her, not even to interrogate her. Margaret now was unpunished.

But the only doubt that stayed was what happened with Mordecai's head? It had disappeared completely and the authorities would never go to find it. Margaret had returned to her apartment right after the funeral and she I walked to her room. She went to bed and took the bag that was by her side. What she took out from inside was nothing more and nothing less than Mordecai's head. She now had it and as authorities were not going to suspect nothing, the head would never find it. Margaret already had planned moving with Mordecai to begin a new life and that is what Margaret is planning to do. She hugged Mordecai's head with a distressing look, while she was lying down in bed.

-Everything will be alright, Mordecai. Nothing of this would have happened if I had not gone away to the college, leaving you alone. I promise you that from now on I will never leave you again.

She gave a Kiss to the head and kept hugging it with all her love and affection.

-At last we will be together forever, Mordecai.
